

SHOW OPENS AT CHURCHILL COURT

Walker Group has opened the show apartment at the company's striking Churchill Court development, allowing buyers to view for themselves the full potential of these sought after homes.

Set within the prestigious Broomhill district in Glasgow's thriving west end, Churchill Court offers an exceptional mix of 29 two-bedroom apartments in two different styles. The show apartment, which has been decorated throughout by renowned interior designer Linda Reid, exudes contemporary luxury living through its use of bright colours, dynamic fabrics and modern furnishings.

Black is definitely back, as a striking black leather couch takes centre stage in the open plan lounge, complete with dining area. Adding to this edgy look are dramatic red curtains that pick up on the blocks of colour in the modern canvas paintings on the wall.

Black again dominates the master bedroom, as the double bed showcases an elegant black leather headboard. This room has quite a masculine feel, through the use of turquoise bed linen and seasonal colours of the walls and curtain fabric.

In contrast to this, the second bedroom is finished in pink and lots of bright colour has been used throughout, managing to create a room that is vibrant rather than overpowering. The white linen headboard adds a crisp block of colour against the pink walls.

The fully fitted beech kitchen provides top of the range integrated appliances that have been finished in stainless steel, successfully fusing traditional materials with a very 21st century look - one that is certain to appeal to the young executive market. The kitchen also has its own breakfasting/dining area.

"We are extremely pleased with the look of the show apartment, which is both innovative and stylish. It is rare for new build properties to become available in this part of the city, yet demand for homes within Glasgow's west end remains high," said Kareen Talman, Walker Group.

Churchill Court is situated within a high amenity area due to its close proximity to Byres Road and Great Western Road, which offer an extensive choice of restaurants, bars, boutiques, galleries and eateries. Aside from this, Glasgow city centre is less than a 10-minute drive from Broomhill. -

Prices at Churchill Court start from £178,000. The show apartment is opened daily from 12 noon to 5pm. For further information on Churchill Court, please contact Helen Dempsey on 0141 304 3224
