

## **WALKER GROUP SPRINGS INTO ACTION**

Walker Group has opened two prestigious show homes at their Riverwoods Development in Falkirk.

Spring Park comprises of a wide choice of luxury three, four and five bedroom family homes. The stylish showhomes have been designed by acclaimed interior designer Fiona Rogers of Linda Reid in Glasgow and encompasses the theme of contemporary family living. Featuring a variety of themes to showcase the versatility of these family homes, two very distinctly styled properties, one in a contemporary and minimalist style and the other in a traditional design. Both homes incorporate a striking use of soft tones and textiles to create a warm and inviting atmosphere.

On completion, Riverwoods will feature 500 properties with a variety of house styles and designs to choose from. The two new showhomes at Spring Park are the Balmoral and the newly designed Ness.

The Balmoral is a luxurious four bedroom detached villa comprising of two public rooms, stylish kitchen, utility and downstairs WC. The upper floor comprises of a family bathroom and four bedrooms with an en-suite in the master bedroom. The property also features an integral garage.

The Ness, a new property, is a spacious five bedroom detached villa with three public rooms, a modern kitchen with dining area, utility room and downstairs WC. The upper floor consists of a family bathroom, two double bedrooms with en-suite bathrooms and three other rooms. The property also features a double integral garage.

"After exceptional demand for the first phase of Riverwoods we are sure that Spring Park will be just as popular.

"There's a great demand for stylish family properties and this development provides families with both a contemporary lifestyle and allows them to become part of an exciting new community," said Kareen Talman, Walker Group.

The show homes are open for viewing Thursday to Monday, from 1pm until 5pm and further information is available from Agnes and Edith on 01324 639163 or alternatively from Walker Group's head office on 01506 413101.
