

Walker Group 'Kits Out' Local Team

Elderslie's Amateur Football Club has scored a new sponsorship deal thanks to Scottish family owned house builder, Walker Group.

The cash sponsorship enabled the team who compete in the Paisley and District Football League to 'kit themselves out' in much needed new strips.

Sandy Casey, Walker Group's Sales Manager recently joined the team at the company's local development, Mill Park, in Glenpatrick Road, Elderslie to present the team with their new kit.

Commenting on the sponsorship Sandy Casey said, "We feel it's important to support the local communities in which we build in. Walker Group has been encouraged by the level of support it has received from the local community towards our new development, Mill Park."

"When Elderslie's Amateur Football club approached us for sponsorship we were delighted to help as it allowed us to both help the team and show our thanks to the local community".

Mill Park, located in the heart of Elderslie, will feature 108 properties on completion. Property styles include four and five bedroom villas as well as a collection of two bedroom apartments. Prices range from £285,000 for the villas and £121,000 for the apartments.
