

Walker Group launches New House Type

Spring is definitely in full bloom at Walker Group's exclusive Mill Park development in Elderslie with the introduction of a hot new property style, the Hermitage.

Positioned in the heart of the popular village of Elderslie, Mill Park will feature an impressive 108 properties on completion. Property styles include a wide selection of luxury four and five bedroom detached villas.

The new house style, the Hermitage, an attractive four bedroom detached home features the added bonus of two public rooms and has been designed to meet the need of contemporary living through its flexible and spacious living environment.

The property comprises of a sizable lounge with feature bay windows to maximise the impressive views at Mill Park, as well as a large fitted kitchen and separate dining room. Upstairs there are four generously portioned bedrooms, all with fitted wardrobes to make the most of the space and design of each room. The master bedroom also features an en-suite shower room. A large family bathroom, utility room, downstairs WC and single integral garage completes this impressive family sized home.

"Mill Park is a model development, which is not only situated in an unbeatable location but offers superb house styles, which feature versatile and spacious environments.

We expect the Hermitage to be extremely popular among homebuyer looking for a property with extra space and flexibility to adapt to their ever changing lifestyles or growing families," said Sandy Casey, Sales Manager, Walker Group.

Situated near Glasgow Airport and within short driving distance of both Paisley and Glasgow city centre, Elderslie enjoys all the benefits of a greenbelt environment whilst being in close proximity to a host of amenities. An ideal location for commuters, the town itself provides all the requirements for modern living in terms of leisure, retail and social facilities.

Two impressive showhomes are available for viewing, Thursday to Monday, 1pm to 5pm.
