WALKER GROUP HELPS KEEP YOUNG ATHLETES ON TRACK

Commonwealth athlete Hayley Owens had a spring in her step recently as she picked up a £500 donation from Walker Group.

Collecting on behalf of her athletics club, the newly amalgamated Edinburgh Southern Harriers and The City of Edinburgh Athletics Club, Hayley accepted the contribution from Walker Group Construction Manager, Gordon Florence, at The Willows development in Tranent.

Gordon said: "Many talented young athletes train with these Edinburgh clubs and we are delighted to offer a £500 donation to help provide further equipment and training.

"Representing Scotland in the Commonwealth Games, Hayley is an inspiration to young people across the country and we hope that this cash boost will serve to help more youngsters reach their potential."

Located in East Lothian within easy access of Edinburgh, The Willows at Tranent is a popular development featuring a range of quality, three and four, and five-bedroom homes. Drawing home buyers from far and wide, this family-friendly collection of homes by Walker Group is set to sell out quickly.
